The event
MATHEMATICAL CHALLENGES
was established in Autumn of 1976.

What comes next?

If you are staying on at the same school, we hope you will continue to take part.

If you are leaving school, we hope that mathematics remains a significant part of of your life,
for work or pleasure.

If you move to a school which does not take part please note that you can still take part as an Individual Entrant see
<http://www.wpr3.co.uk/MC/materials/index.html>
